## **XI. CONSULTANTS**

Consultant/New Position is included in the list of designated positions and shall disclose pursuant to the broadest disclosure category in the code, subject to the limitation:

The Director or designee may determine in writing that a particular consultant/new position, although a “designated position,” is hired to perform a range of duties that is limited in scope and thus is not required to comply with the disclosure requirements described in this section. Such written determination shall include a description of the consultant’s/new position’s duties and, based upon that description, a statement of the extent of disclosure requirements. The Director’s or designee’s determination is a public record and shall be retained for public inspection in the same manner and location as this conflict-of-interest code (Gov. Code Sec. 81008.)
